

# Key Instant Recall Facts

## YEAR 1 KIRF CARD – TERM 2

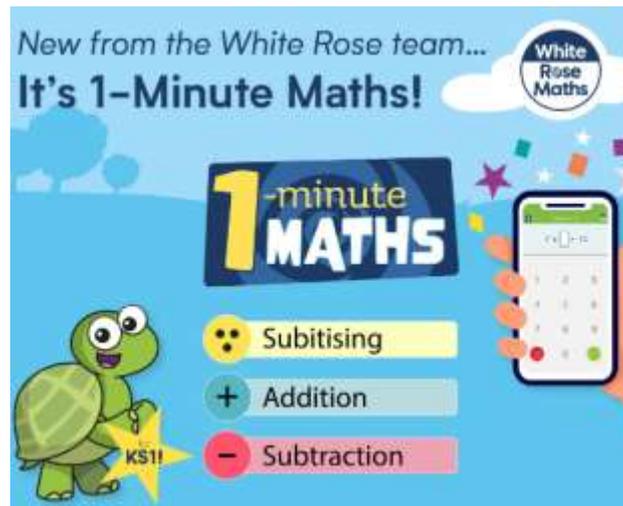

This half term your children are working towards achieving their individual KIRF targets, indicated below. The ultimate aim is for your child to be able to recall these facts **instantly!**

### To know number bonds within 10

By the end of this half term, children should be able to recall all the number bonds within 10. The aim is for them to recall these facts instantly.

#### Dice Game

Roll two dice and add the spots together?

#### Numicon

We use Numicon in school. You can print Numicon and create bonds within 10: [bit.ly/NumiconPictures](http://bit.ly/NumiconPictures)

#### KEY VOCABULARY and QUESTIONS bond/ add/ subtract/ more than/

What do is 3 add 4?  
What needs to be added to 6 to make 7?  
What is 5 **less than** 10?

This app is free to download and is a great resource. If you click on addition and then choose Adding within 10.

#### Top Tips

The secret to success is practising **little** and **often**. Use time wisely. Can you practise these KIRFs while walking to school or during a car journey? You don't need to practise them all at once: perhaps you could have a fact of the day. Building confidence in mathematics is crucial so be pleased with their efforts and always encourage with praise. Make sure these practice sessions are enjoyable - if your child is really not in the mood it is the wrong time to be practising! If you would like more ideas, please speak to your child's teacher.
