8TH MARCH 2024

SPRING TERM 2 | WEEK 2

Dear Families,

What a week it has been! From World Book Day, to Dodgeball competitions, One Touch Football starting officially and many more things. It's been a fantastic week with lots of reasons to celebrate.

World Book Day: What a fantastic effort made by all. The aim of the day is to generate conversation and inspire a love of reading, and this is certainly what it did! Thank you for embracing the spirit and passion of the event as we know the time it takes; the outcome and the memories for the children are priceless! Many of us have children in schools participating in the same way so we know what it means. A special thank you to Mrs Johnson and Mrs Jagger who have dedicated much of their own time to make the events and activities in school so special for the children; we had scavenger hunts, quizzes, drama and villainous writing, reading café, guess the teacher behind the book, teachers providing cakes as treats for their classes, the list goes on.....

Clubs: Clubs are quickly filled up or a full already! Clubs officially **start next week 11th March 2024 and will run for the next three weeks.** This week we welcomed One Touch Football and the children seemed to have a great time.

Recorder Jamboree: Rutland Music have been in touch to cancel the Recorder Jamboree which was scheduled for next week 15th March. We've removed it from the 'dates for your diary'. The children in Y5 will perform some songs in their class assembly so their hard work will not be wasted.

Dodgeball: Our Year 6's represented our school brilliantly on Thursday (more information overleaf.) We have Year 3 and 4 attending this coming week – the office will be in touch with who has been chosen for this event. Our Sports and Events calendar is busying so there will be more and more opportunities through the year for your children to take part in different events.

Values Badge Design for 'Love': we wanted to offer our school community a chance to design our badge representing 'Love.' We've printed out copies for anyone in our school community to design a badge for our Ethos committee to choose as the overall winner to be reproduced. Please return these as soon as they are completed, with the **closing date being Thursday 14th March.** As the weeks continue, thank you for the continued efforts you are going to with the children's values passports. We've been sharing through the week and it's truly wonderful to acknowledge the lovely things our children and families are doing. It's lovely seeing them proudly wearing their badges or speaking confidently about how they are showing each value.

Have a great weekend and we look forward to seeing you next week.

SPORT EVENTS

This week, two groups of Year 6 children attended a Dodgeball event led by our partners at Rutland Sports.

The children were excellent representatives of our school and we came 2nd in the top 6, narrowly beaten to first place by one game! Both teams had the opportunity for to reach the top 6, with our other team narrowly missing out. Our additional team came 2nd place in their heats too!

Our excellent sportsmanship was noted by all of the other schools where we were voted as one of the teams who were 'demonstrating excellent sportsmanship' which is just as important as the game itself. We ensured that after each game, we initiated shaking-hands and the children were respectful, determined and passionate during each game. We are so proud of them.
